To Rajaseva Parayana

SIR,

(273) I have the honor to forward herewith a petition dated 12th October 1937 from the Shekdar, Kolar District, stating that a Basavanna idol is in the midst of prickly pear near the waste weir of the tank at Bethamangala in Gauribidanur Taluk, removed and installed in the new temple built at Bethamangala by the Veerasaiva community and requesting that in the circumstances explained formal permission may be accorded to the installation having been made without sanction.

2. The Shekdar of the Bethamangala Hobli certainly exceeded his powers when he permitted the removal of the idol in anticipation of sanction and that too when the petition of Mr. Boraiah and others of Bowringpet had been sent to him for a detailed report.

3. The temple has however been built on a site given by the Kolar Town Municipal Council without reference to revenue and municipal authorities and the idol has also been installed and arrangements have been made for daily worship and etc.

In the circumstances, I beg to recommend that the Muzrai Commissioner's proposal may be accepted and sanction for the removal of the idol to the new place of worship recently constructed may be given on condition that Mr. Andrappa and others signed [illegible]

petition dated 7th December 1888 execute a mutchalika on their own behalf and on behalf of their community to the effect that no obstruction will be offered at any time to the playing of music or the passing of any procession with band and etc in front of the temple and that no objection will be taken to the construction of any other temple in the vicinity and that a stone tablet with the date of erection of the temple and the conditions ennumerated above inscribed thereon, will also be put up at the cost of the petitioners.

The file of vernacular papers is enclosed for reference and kind return.

I have the honor to be,

Sir,

Your most obedient servant,

Ra. Ramachandra Ayyangar

Letter No. A2.C.2098/28-29 dated 12-9-30 from the Deputy Commissioner, Kolar District, to the Muzrai Commissioner in Mysore.

I have the honor to forward herewith the file of correspondence ending with Kolar Sub Division Officer's No. G1.134/30-31 dated 4-7-30 re: the removal of Pasava idol lying in the midst of prickly pear near the waste wier of Bethamangala tank, Bowringpet Taluk, and to state as follows:-

On 5-12-28, the Veerasaiva Community people of Bowringpet Town, presented a petition to the Amildar, Bowringpet Taluk, raying for permission to remove the said idol for being installed in the new temple recently constructed in Bowringpet Town. The Sub Division Officer recommended that permission to remove the idol might be granted. The papers were returned with the query whether the temple was constructed with the sanction of Government. It is now reported that no permission was obtained for the construction of the said temple.

It is seen from the record, that on the authority of the Municipal President, granting a site for building a temple, the Veerasava people have constructed it without the requisite sanction therefor.

When this question was under correspondence, the petitioners brought the said idol and installed the same in the new temple at Bowringpet about 1 year and 3 months back.

The removal of the idol is subsequent to the date of their application to the Amildar. I therefore request that permission may kindly be granted to the installation already effected without sanction.
